ONE PAGE REPORT FOR INDUCTION PROGRAMME

Academic Year 2021-22

When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose. IBMRD's Induction Program is an attempt to meet the directives and standards set by the AICTE in a guide to Induction Program.

IBMRD has organized an induction program for 7 days from 25th Feb 2022 to 5th March 2022 for the first year students. The Director, Head of the Departments, Academic Convener and Placement officer address the students about the Vision, Mission, graduate attributes, values, rules and regulations of the college and significance of Higher Education.

Besides, the adjustment in a new environment, peer pressure, hostel life, expectations of parents and their close supervision, monitoring of teachers, competition, increasing workload, responsibilities and above all individual aspirations shake spirit of students. The interaction with the induction programme equipped entrants not only with the boost to their educational pursuits but also with the work culture, industrial exposure, social experiences and various institutional activities. The present induction program suitably supported students in rationalizing their choice of study, developing bonding with peers and comfort at the new academic environment, exploring their academic interest, determining goals, pursuit for excellence, imbibing a broader view of life and building character.

The Seven days session focused on opportunities, milestone set, Moral ethics needed to be incorporated in student while engaging in academics and also focused on opportunities in IT Industry in upcoming 5 years.
