Response-

Information and Communication Technology (ICT) plays a vital role in the teaching-learning process. Therefore, the Institute's IT facilities are adequate and updated regularly as per the need.

Institute has an IT infrastructure with a network of 180 computers, ten printers, and 10 LCD Projectors. Institute has licensed system software such as Windows 7, Windows Vista, Windows 10, Windows Server Edition 2008, etc., to protect the computers from viruses; the Institute has licensed Net Protector and Quick Heal Antivirus.

The following facilities are created for the benefit of students:

- Internet access is provided through a leased line with a speed of 100MBPS. The Institute has installed computers at Digital Library, for the Language laboratory, and for SPSS software.
- Printing and scanning facilities are available in the library.
- Institute has a Language Lab equipped with Digital Teacher Software to enhance the English communication skills of students.
- Institute has Computer Center equipped with the latest computers with internet facilities for Project Work, Online exams, Exam form filling, conducting sessions related to MS Excel, Preparing Presentations, and Doing Assignments.
- Institute has a Wi-Fi facility to fulfill the need for accessing the high-speed internet on campus.
- LED Television.
