Correge Deveropment Committee	27-NOV-2017			
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No			
16. Whether institutional data submitted to AISHE:	Yes			
Year of Submission	2018			
Date of Submission	02-Feb-2018			
17. Does the Institution have Management Information System ?	No			
Pa	art B			
CRITERION I – CURRICULAR ASPECTS				
1.1 – Curriculum Planning and Implementation				
1.1.1 – Institution has the mechanism for well planned words	curriculum delivery and documentation. Explain in 500			
Institution has proper mechanism for monitoring teaching and learning process, we have 1. Course conveners for MBA and MCA 2. For MBA and MCA we have faculty advisors / guardian for motivating students 3. For MBA -II yr we have separate HODs for various specializations 4. For MCA we have constituted various committees to look after teaching and learning process 5. Feedback system for students is developed 6. All faculty members are encouraged to participate in short term FDPs and workshops The college adheres to the guidelines laid down by the State Government in general and the University in particular. The academic calendar is prepared at the beginning of the academic session by course conveners which captures the important dates like start and end of the session, internal examination, ; we follow the calendar for teaching and learning activities. Every faculty member given choice for subject, the meetings were organized before start of academic activities. Experts are identified by the subject teachers along with course conveners, guest lectures and interactions were scheduled for each subject, as per availability of the expert. Time table, work load allotment of additional assignment has been done by Course Conveners as per advice from Hon Director. Special classes (if needs				

be) are engaged during vacation or off hours to compensate for the time lost in examination/evaluation. Schedule and monitoring of MCA practical labs sessions was done by respective class teachers, we have class teachers for MCA-I,II and III. The faculty do planning for optimum use of computer labs in IBMRD. All software and hardware requirement are taken care by class teachers. Additional skill development certificate courses are being conducted by MBA and MCA departments, ranging from communications development to programming in android mobile apps was planned and conducted by convener for skills development through CSD. Various committees were formed for students' placement, discipline, and cultural activities, sports and students development. Regular teaching is combined with routine class tests, open book tests, presentations, and assignments were given to all students. Projects are allotted for summer and winter sessions. Entrepreneurship development cell look after students projects. Internet facilities' is made available to all students through Wi-fi broadband connection. Add on classes organized for students, those are slow learners from MCA, for programming languages like C , C++, JAVA, Python, Data structure etc. For MBA add on classes are planned for difficult subjects as per the demand from the students. Industry -institution linkages was formed for regular interactions between industry experts and the students, distinguished alumni were invited for guiding the students, placement cell, is very active in developing network of industry with the institute, so that we have MOUs for summer and final placements. All the events and day to day teaching activities are recorded by the course conveners, for cross verification of academic calendar. Regular meetings are conducted by the course conveners for the maximum course outcome of teaching and learning process.

.4 – Feedback System		
I.4.1 – Whether structured feedback re	eceived from all the stakeholders.	
Students		Yes
Teachers		Yes
Employers		Yes
Alumni		Yes
Parents		Yes
I.4.2 – How the feedback obtained is I naximum 500 words)	being analyzed and utilized for overall c	Jevelopment of the institution?
Feedback Obtained		

and courses from different stakeholders such as the students, alumni, Teachers Parents. Collection of Feedback from Student: The course convener collects the feedback on curriculum aspects and courses from different stakeholders such as the students, alumni and Faculty. Periodical analysis is made by Course Convener regarding student performance, faculty performance in every semester and also utilization of infrastructure and requirements for quality enrichment.

Alumni Feedbacks are conducted during alumni interaction at the alumni association meeting. Further, college website invites alumni to provide feedback through online. The questionnaire in the feedback form is intended to collect information relating to stakeholder's satisfaction towards the curriculum, learning and evaluation. The information provided by them is kept confidential and used as important feedback for quality improvement of the program of studies/institution. Feedback collected and analyzed: The data is analyzed and their suggestions are considered and placed before the IQAC Cell for discussion and for possible incorporation in the curriculum. The course convener assesses three major aspects, viz., Faculty Performance, Students Support System and Evaluation. The periodical review meeting is conducted to review the following: The college encourages the faculty members to attend Faculty Development Programmes in order to enrich the competency level and teaching methods of faculty members. The college encourages the faculty to pursue higher education, authorizing books, and publishing papers in journals. Apart from this, management supports student involvement through seminars, student's innovations for the further development of curriculum. Alumni Feedback The college conducts annual Alumni Meet, in which suggestions and feedback is received from Alumni students. . Alumni surveys are conducted during alumni interaction at the alumni association meeting held every year. Whenever any alumni visits the college, feedback is taken. Further, college website invites alumni to provide feedback through online. Feedback form is intended to collect information relating to Alumni satisfaction towards the curriculum, teaching, learning, evaluation and infrastructure also to improve the quality of academic programmes and enhance the credibility of the Institute. This information will be used as important feedback for quality improvement of the programme of studies and the Institution Parents The parents of all students are invited to the college to interact with the faculty and management representatives at the Parent -teaching meeting and at the Orientation programme for the Firstyear students The feedback from the parents is taken Teachers Teacher's Feedback form has been designed to improve teacher's performance in classroom engagement with students to bring excellence in teaching and learning. The Institute is constantly in dialogue with all its stake holders and seeks advice and input from industry leaders, in order to provide value in the many areas of engagement.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

to students throug their problems r terms of impro personal guidance institute has the co SP Pune Universi evaluations repo written/theory/prac In this way	towards their career progression and future endeavors. Orientation programmes conducted in order to sensitize the students about the various aspects of the Institute. Placement and career counseling services are available to students through the Placement Cell/Committee. During counseling, the students are encouraged to discuss their problems related to academics personal etc. Such counseling has yielded fruitful results to students in terms of improvement of pass percentage and employability of students. The students get academic and personal guidance from the concerned teachers apart from the counselor. To monitor the students' progress, institute has the continuous concurrent internal evaluation system which consists of suggested components from SP Pune University like Internal Assessment Tests, quiz etc conducted in each course. Continuous concurrent evaluations report is communicated by the subject teachers to the students. The university also conducts the written/theory/practical examination at the end of semester. The result of same are communicated to the student. In this way the entire process of monitoring and evaluation is made transparent to the students.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institute follows a systematic approach on Continuous concurrent internal evaluation system which consists of suggested components from SP Pune University with students being evaluated by Multiple evaluation formats. A separate post Controller of Examination (COE) is there to streamline the teaching-learning and evaluation process and ensuring effective implementation and monitoring. Dates of internal examinations are known to all the stake holders at the commencement of the semester Faculty members in the institute follow the formative and summative approaches to evaluate students' performance and achievements through assignments, presentations, group discussions, problem solving, class interaction, viva voce, written and practical examination, These practices have improved the performance levels of the students to the maximum extent. The continuous evaluation systems through periodical internal assessment tests have helped the students to excel better in the university examinations. Classes on Management skills, presentation ideas, leadership abilities are conducted regularly by the institute every year to nurture the significant growth and overall development of students both in academics, extra and co-curricular and behavioural activities.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Being a constituent Institute of the Savitribai Phule Pune University Pune, the Institute follows the academic calendar as prepared by the University. The academic calendar schedules the commencement and the closure of the semesters as well the conduct of examination. The examination schedule is also prepared at University Level which is followed by the Institute. Within the University documented academic calendar, the Institute prepares an annual academic calendar at the beginning of the academic session which captures the important dates like start and end of the session, internal examination holidays, and Schedule of base programme extra and co-curricular activities, we follow the calendar for teaching and learning activities to adhere to the overall assessment requirements of the University.

2.6 – Student Performance and Learning Outcomes

2.6.1 - Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

Maintenance and housekeeping policy-IBMRD Institute of Business Management and Rural Development (IBMRD) own and operate an extensive infrastructure to deliver its teaching, learning and research programmes. The Institute has an established system for maintenance and utilization of Computers, classrooms, and equipment available in the campus. The institution has functional committee of 'Maintenance and Housekeeping' under The HOD for maintaining Class rooms, Computer lab and Library. The responsibilities of maintenance are assigned to all the members of the designated committee. The Department (MBA / MCA) which is in need of repair and maintenance work has to register a written complaint to the maintenance committee through respective HOD. The details of the maintenance work need to be mentioned. Maintenance Person inspects the site and completes the task. Ones the task is completed, Head of Department signs the job Completion report. Policies of Academic and Support Facilities: Utilization and Maintenance of Class Rooms: Classrooms with furniture, teaching aids are maintained by the respective department staff and supervised by the respective Head of the Department. The lab assistant takes care of the Computer lab. The Heads of Departments report to the Maintenance and Housekeeping committee periodically for all the maintenance works. Minor repairs are registered in a register maintained in the office and are attended on priority basis. Students optimally utilize all classrooms during the daylong working hours and are also mentored to upkeep the furniture. Classrooms are allotted as per the student strength. Utilization and Maintenance of Seminar Halls Seminar halls are under the purview of the HOD and the cleanliness is taken care of by the housekeeping team. Effective utilization of seminar halls for organizing academic meetings, seminars, conferences and cultural events is made. For accessing the facilities, the organizing faculty / staff member submits a form available with HOD and the date of event is registered and the halls are accessed on priority basis. Utilization and Maintenance of Computer Lab: Computer labs are allotted for Practical session based on a timetable. Computer maintenance work is carried out in-house by lab assistants and in case if it is required, then maintenance work is outsourced. Utilization and Maintenance of Library: The Library is accessed by the students and staff members. The process of stock verification is mandatory for library. Copies of old periodicals are bound together on yearly basis. Few identified old books are re-bound after inspection. Maintenance of Physical Facilities The services of plumbers, electricians, masons are available round the clock in the campus. Electrical dept of foundation is responsible for the uninterrupted power supply and maintenance of equipment like generator sets, general lighting, power distribution system, etc. Sports ground and facilities Sports ground maintenance include Leveling, Grass cutting, Line marking, Pitch renovation, Watering, Rolling, etc. done by workers on Contractual basis. Other maintenance Repair and maintenance of the central facilities like DG set, RO plant, Xerox machines, bore well pumps, CCTV, fire fighting system and water coolers, etc are carried out periodically. Maintenance of Campus Cleanliness Cleaning of the campus areas http://www.ibmrd.org/naacquicklink

writers and what not. The Alumni Association brings all these outstanding people together on a single dais. This collective excellence is our contribution to the growing generation, the Institute and the society as a whole. Engage, energize and enhance keeping this motto in mind, we seamlessly connect with the Institute, faculty, students and fellow alumni. Pravara Alumni Relations Cell was formulated due to the vision of our honourable Chairman Shri. Radhakrishna Vikhe Patil. He witnessed the tremendous success Pravara alumni have achieved in their life and aspired to see the same success in the lives of each student of Pravara. Pravara Alumni Relations Cell acts as an active link between the Alumnus and Alma Mater. The sole aim of Pravara Alumni Relations Cell is to create an ecosystem wherein each individual is enriched due to interacting with the other. Since its inception, the cell has been instrumental in connecting alumni to alumni alumni to the institution. Various activities are regularly being conducted under its purview such as expert lectures, mentoring, project guidance by alumni, webinars etc.

Alumni meet was successfully conducted on 9th March 2018 for all MBA MCA alumnus. Alumni chapters' were scheduled for all alumnus of foundation in Ahmednagar, Delhi, Bengaluru, Mumbai US.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization management The Institute supports a trend of decentralized governance system with proper well defined inter-relationships. The management of the institute has main two basic committees, governing body (GB), Local Management Committee (LMC), chairman, director and HOD. Regular meetings of these committees are held for the effective and smooth functioning of the institute. There are three levels of administrative structure under which all the activities of the institute are carried out. Society level - The management of the institute is directed by Governing Body, whose members, are appointed in accordance with the guidelines provided by the Director of Technical Education, Savitribai Phule Pune University and AICTE. Institute level - All the main decisions related to the institute are taken by the Director in consultations with the Head of departments. Director is the academic and administrative head of the Institute and the Member of the Governing Body. Department level - The Department Heads are responsible for to look day-to-day administration of the department and report to the Director. In addition, any institute staff members and students can give suggestions and idea for improvement. Suggestion box is kept in the institute for suggestions from students. Management and Trustees are approachable and accept all suggestions. Participative management The institute always promotes the culture of participative management by involving staff and students in various activities. All decisions of the institution are governed by management. The students and faculties are allowed expressing themselves for any suggestions to improve the excellence in any aspect of the Institute. 1. Strategic Level The Director, HODs and staff members are involved to defining the policies and procedures, making guidelines and rules/regulations pertaining to admission, placement, discipline, grievance, counseling, training development and library services etc., Staff members are also involved in deciding academic activities and examinations to be conducted in institute. 2. Functional Level At functional level the faculty members participate in sharing the knowledge by discussing on latest trends/technology during faculty meeting. Some Staff members are involved in preparation of annual budget of the department and institute. 3. Operational level The Director of the institution is a member of the GB. The GB gives suggestions and monitors the procurement, introduction of new programs and welfare activities. All the staff members actively participate in implementing the policies,

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Details The college adheres to the guidelines laid down by the State Government in general and the University in particular. • Senior faculty have been involved in the university meetings for the purpose of revision of syllabi / curriculum for MBA, and MCA Programmes. • Curriculum development is undertaken by University however the Institution also takes initiatives to incorporate value added programs to enhance the skill set on the part of the student. • Curriculum quality improvement is measured through strict adherence to lesson plans, Seminars and Workshops on critical topics and themes. • The academic calendar is prepared at the beginning of the academic session by course conveners which captures the important dates like start and end of the session, internal examination, we follow the calendar for teaching and learning activities. Every faculty member given choice for subject, the meetings were organized before start of academic activities. • Time table, work load allotment of additional assignment has been done by Course Conveners as per advice from Hon Director. • Student paper presentations, Case study discussions, Summer projects/ Internships as per University regulations, research based assignments are also emphasized for curriculum development. • Faculty are encouraged to design and implement value added programs in areas such as Entrepreneurship, Finance, HRM, Marketing, Advertising, and Computer Application, Web designing, Database management, Workshops and Research methodology. • Short visits to Industry (One Day trip), Industrial tours are

	students to learn practice of
	<pre>management, which intern helps in the curriculum development. • Business plan exercises and Guest lectures by the industry personnel also help in bringing significant development in the curriculum of the management courses. • Schedule and monitoring of MCA practical labs sessions was done by respective class teachers, we have</pre>
	class teachers for MCA-I,II and III. The faculty do planning for optimum use of computer labs in IBMRD. All software
	<pre>and hardware requirement are taken care by class teachers. • Additional skill development certificate courses are being conducted by MBA and MCA departments, ranging from communications development to programming in android mobile apps was</pre>
	<pre>planned and conducted by convener for skills development through CSD. • Various committees were formed for students' placement, discipline, and cultural activities, sports and students development. Regular teaching is combined with routine class tests,</pre>
	<pre>open book tests, presentations, and assignments were given to all students. Projects are allotted for summer and winter sessions. Entrepreneurship development cell look after students projects. • Internet facilities' is made available to all students through Wi-fi broadband connection. Add on classes organized for students, those are slow learners from MCA, for</pre>
	programming languages like C , C, JAVA, Python, Data structure etc. For MBA add on classes are planned for difficult subjects as per the demand from the students.
Teaching and Learning	One of the strategies for quality improvement in teaching and learning is to make the learning more student- centric. The IQAC frequently collects and analyses the feedback of students on the quality of teaching-learning and provides suggestions for improvement. To make teaching and learning effective, the following techniques are executed: 1. Case studies to give the real time exposure Business plan exercises to give exposure on the future perspective and creative
	thinking, idea generation and financial planning, Entrepreneurship events to give exposure on innovative ideas and

	infrastructure. 9. 24 by 7 Internet
	facility for students 10. Faculty
	development through training at Centers
	of Higher Learning and Excellence.
Tremination and Treduction	a fame of the best suggitizes edented by
Examination and Evaluation	 Some of the best-practices adopted by the institution in examination and
	evaluation during this year are
	mentioned below: • Examination
	committee conducts meeting twice in the
	year prior to University Examination in
	order to ensure smooth conduction of
	examination. • The quality of question
	papers is moderated by Controller of
	Examination, he receives 3 sets for
	each subject in the prescribed format
	and randomly he will select the paper.
	• Committee also takes in to account to
	reduce malpractices and framed certain
	rules keeping in the view of regulation
	laid down by SPPU. So far as committee
	has worked quite nicely to bring down
	malpractices and conduct examination
	very systematically. • Internal marks
I	і I

	are allotted based on the concurrent evaluation by taking assignments, class test, presentations, GD and the student's attendance Percentage. Theory and practical examinations consists of two components Namely, External evaluation for 70 marks and internal evaluation for 30 marks. • Examination results determine remedial and tutorial sessions for the failed students.
Research and Development	<pre>sessions for the failed students. College Encourages faculties to do research. Seven members are awarded PhD and three members are pursuing their Ph.D. from various universities. The Management supports the professional development of the faculty and encourages them to undertake research work by motivating them to attend seminars, workshops, refresher courses and international National Conferences by giving them necessary leave and financial assistance. PhD Research Centre affiliated to SPPU was started from AY 2016-17, and we expect a paradigm shift in the research activities at IBMRD. Other initiatives to improve the quality of research and development in the college are as follows: • Informing faculty members about various grants to be applied, like research grants from SP Pune University, UGC major and minor grants, all faculty members asked to apply for these grants • Faculty members have to publish at least 02 papers in UGC approved journals. The institute will be sponsoring the publications in reputed journals • Faculty members were motivated to participate in workshops, state level, national level and international level seminars and conferences for paper presentations institute will reimburse the expense incurred on these activities. • Generating awareness amongst the researchers and providing support related to various proposal formats of different funding agencies, budget, purchase of equipment and material</pre>
	under research schemes, account and audit of project expenditure, any additional infrastructure requirements of the researcher etc. • Research cell look after all research related activities and PhD research centre at IBMRD. • Academic Research coordinator provides information about notifications related to grants and

Best project competitions shall be organized at institute level to motivate students for participation in Avishkar or such best project competitions in SP University
<pre>competitions in SP University • Library resources are updated every year through the budgetary recommendations of the Library committee. • The Library housekeeping operations are automated through diji Soft Lib. • Library is well stocked with current titles, journals, e- journals, current affairs magazines and newspapers, learning software, videos, internet facility, reading facilities, J-GATE and EESCO e-journal is installed in library. • The library maintains separate reference/periodical section with back volumes and current journals/dissertations/project reports for ready reference. • The library is completely automated with bar-coding of all books and reference materials. • The library is open beyond working hours to provide enhanced access to students and faculty. • Access to open- access literature through JGATE. Library Collection : • Total Books - 15704 • E-books - 781 • Total Journals/Periodicals - 84 • E-Journals - 00 • Total Newspapers - 10 • Educational CD/DVD - 453 ICT is a major emphasis area for the institution and several ICT initiatives have been undertaken, such as: • Learning Management System is implemented • Library Management System is implemented • Innovative solar-powered CCTV cameras are installed for campus security • All systems are accessible on 24x7 bases. • Wi-Fi facility is available throughout the campus o • About 30 of the classes utilize projectors for delivering digital</pre>
<pre>dedicated recording and editing studio for learning and its own media purposes. • The institution has set up two fully equipped air-conditioned seminar halls. • State of art facilities auditorium is used for seminar workshop presentation. • Total</pre>

	220 computers are connected with acces to internet of 30 MBPS Bandwidth of leased line connection.
Human Resource Management	The success of any organization is dependent on the quality of the Humar Resources. College management has give priority to identify persons with exceptional qualities and giving then opportunities to maximize their performance to meet the strategic objectives. The IBMRD has their separate HR management Division that typically looks after the recruitment training, development, performance appraisal and rewarding. The followin are the HRM policies and practices at the institution: ? Transparent recruitment and selection policies. ? Faculty recruitment process emphasize research aptitude and research qualifications. ? Industry best pay packages for staff and substantial annual increments. ? Training and development programs for staff and students through workshops, FDPs, seminars, and skills development sessions. ? Research related incentive for paper publications, book publications, and participation in national and international seminars, conferences, etc. ? Welfare measures for staff and students - food, transportation facility, medicals, dental treatment at concessionary rates, accommodation and regular healt checkups. ? Fee waiver for students participating in national sports and games. ? Independent workstations and staff rooms for staff and similarly separate common rooms, dining halls for boys and girls. ? Regular performance appraisal of teaching staff is done a per CAS. ? Training is arranged for teaching as well as non-teaching staff for up-gradation of knowledge and relevant skill. ? Attrition rate is carefully monitored and exit interview are mandatory for all employees leaving the institution. ? Strategies for improving retention are formulated
Industry Interaction / Collaboration	based on the analysis of exit intervie The college facilitates the experts from industry to interact with student by arranging guest lecturers to enric them with the latest updates and its technicalities. • Organizing Industry expert lectures through Industry

		Academia Interface committee. • Industrial visitsand corporate visits are undertaken for students • Developing software for industry • Mock Interviews and preplacement interaction with the industry professionals. • Industrial visit and training after sixth semester during summer vacation. • Sponsorship of technical projects for research and development. • Consultancy services from the industry professionals.
	Admission of Students	1] The admissions of the students are followed as per rules and regulation based on the SPPU norms. MBA MCA students admitted through Central Admission Process after qualifying the Maharashtra State CET . 2] The institute has its Admission Committee which works under the guidance of IQAC and forms for the Frame work of admission process. It frames committee for the admission in the month of Jan every year which educates and counseling prospective candidates of MBA MCA courses through admission process. The committee involves the Director, H.O.D, and Teachers. 3] This Committee decides about admission strategy, help centers, fees structure, Merits of student for admission, etc .The Institute operates help centre at ARC (Application Receipt Centre) at Govt. Polytechnic College Ahmednagar where two faculties are deputed to guide students regarding the flow of admission process. 4] Also, Committees from each department are framed to councils the students regarding their programs or courses at college. 5] Counseling also done regarding different programs, additional courses, extra curriculum activities for overall personality development of the students. 6] Social media is utilized to reach out to the target audience for brand building and generating awareness. 7] As the admission process is online and digital. A helpdesk
		provides all support and help to streamline the admission process.
(6.2.2 – Implementation of e-governance in areas of opera	tions:

E-governace area	Details
Examination	Examination committee coordinator has to conduct the internal examination to assess student's preparation for

	university examinations. The faculty is appointed as examination coordinator. He selects his committee and leads all the internal and external examinations for smooth conduction.
Planning and Development	 The Governing Board formulates the rules and regulations for the faculty, staff and students • The Internal Quality Assurance cell - IQAC monitors the internal quality through the comprehensive feedback mechanism for continuous improvement of the curriculum, teaching-learning process, evaluation, research, and financial management and student supportservices. • The Academic audit of the college by the external academic peers - external examiners help to know the strength and weaknesses of the system. Internal and external financial audit of the Institution by the auditors insures the checks and balances in the financial transactions. • The institution maintains effective internal co-ordination and monitoring mechanism with various departments and committees formed by the college for curricular, co-curricular and extra-curricular activities.
Administration	The administrative office is headed by the Director. Every month the Director conducts common room meeting with the teaching and non-teaching staff members with open discussion on various issues. Director takes decisions about academic, administration, co- curricular, extra-curricular, research and extension activities. Time table is prepared department wise for the practical's, visiting faculty or Guest speakers, assigning projects, assignments, presentations, workshops and seminars. The administrative work carried out and monitored by admin office under the guidance of Director. The Director regularly gives brief information about various activities conducted in the campus to the management from time to time during every academic year.
Finance and Accounts	The incorporation of the action plans is made into the college strategic plans through the meetings of Local Managing Committee and governing body/council including the academic as well as the financial aspects for the decision-making by the management. The

	financial aspects are taken care by the finance department headed by a Director. The various administrative departments with office assistants are headed by the director.
Student Admission and Support	<pre>IBMRD provide support to students from entry to exit in various forms. 1. Welfare Activities - Medical Insurance, In campus doctor, state of the art hostel, library, dietician, In campus Psychologist, gym. 2. Sports facilities in hostel. 3. Career Counseling in order to keep a regular connect among the IBMRD Campus.</pre>

Parent Teachers Meet is organized every year. Interaction with parents helps in two-way feedback. 1. Parents support the institution by providing permissions to students for projects with the organizations they work for and by interacting with students on industry related themes 2. Parents - Teachers' Association is very proactive in this Institution. 3. Parents are regularly kept informed about their ward's progress, attendance and internal assessments and also remedial measures undertaken to improve students' performance. 4.
Parents' consent is mandatory for industrial trips, projects, competitions etc. 5. It helps to foster and promote good relationship among faculty, staff, and student with parents to promote social development. 6. It helps to create keen interest for the smooth functioning of the institute. 7. It helps to understand the diversified need of the students belonging to different backgrounds

6.5.3 – Development programmes for support staff (at least three)

Supporting staff are given training to work with installed software in order to improve their productivity. Following are the Training programs are organized for nonteaching staff regarding 1. Up gradation of software. 2. Excel Training 3. Tally 4. Training programs for clerical staff in written and oral communication.

6.5.4 – Post Accreditation initiative(s) (mention at least three)

Two days National Level Seminar on "New NAAC Accreditation process and Benefits" conducted on 6th 7th March 2018.

6.5.5 – Internal Quality Assurance System Details

a) Submission of Data for AISHE portal	Yes
b)Participation in NIRF	No
c)ISO certification	No
d)NBA or any other quality audit	No

sense of responsibility. Being aware of the rights should go together with consciousness towards duties. All pleasures are to be enjoyed with sense of morality. All arguments should take place maintaining the dignity. The character of the Institution is built with the discipline and harmony in the functioning. Certain policies are to be formed and communicated to all the elements to strike the balance between the freedom and responsibilities, rights and duties, in pursuit of knowledge, respecting all the individuals. DVVPF's IBMRD has got a code of conduct for the staff as well as students. Along with the general code of conduct prescribed by the Statutory Regulatory Authorities, the Institute has certain mandatory requirements. Our core values are: 1. Integrity: All the activities should be conducted in an ethical manner. Research and teaching shall be carried out in an environment of academic freedom and honesty. 2. Accountability: The roles and responsibilities are assigned and people are held accountable for their deeds. We feel our liability towards the society and our actions add values to the Institute. 3. Responsibility: Everybody in the Institute is expected to discharge his/her duties with due responsibility. 4. Transparency: The general records of maximum aspects of the

Code of conduct for staff and students	31/07/2017	<pre>functioning are maintained online to encourage transparency. 5. Respect of Individual: While carrying out the interactions at all levels, the dignity and respect of an individual is observed. 6. Faculty Empowerment: Institute promotes and encourages faculty in their individual academic development and provides scope for enhancement in their participation in general governance. 7. Service to Nation: Institute is committed to developing the skilled manpower to serve the Nation. 8. Environmental stewardship: Committed in practicing green technologies for sustainable development of the Nation.</pre>

No file uploaded.			

7.1.7 - Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Tree plantation 2. Minimize electricity consumption 3. Use of ICT -minimum use of paper 4. Removing plastics from the campus 5. Removing e waste from the campus and proper disposal of e waste 6. Use of LED bulbs and solar energy

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1)BASE Program cell-Basic Ability and skills Enhancement cell is in operation to enhance basic skills and ability of students. It includes Expert lectures in the field of Communication skills, Personality development etc 2)Entrepreneurship Development Cell- To inculcate Entrepreneurial characteristics among students 3)SPANDANMEX - District level Inter collegiate competition organised every year to identify hidden talent among students and to implement management fundamentals which student learn in curriculum.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://www.ibmrd.org/naacquicklink

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Institute of Business management and rural development ,along with management education delivery believes in overall development of the students which would be beneficial for all stakeholders . we strongly believes in sustainable development and it reflects in vision ,mission, plans, programs and procedures of the Institute.

Provide the weblink of the institution

http://www.ibmrd.org/naacquicklink

8. Future Plans of Actions for Next Academic Year

NBA accreditation of MBA and MCA will be our priority. We will establish the -CIII-centre of invention, innovation and incubation for overall development of entrepreneurship skills amongst management students. To organize more and more programs on personality development and language skills Special skill development courses will be started for students from rural area, they need training on English language communications, training on soft skills and grooming skills for management graduates. For teaching aids technology will be used, teaching and learning will be dynamic, with use of latest pedagogical tools. Learning shall be enjoyable so that we will change our traditional method of teaching and include innovative, interactive methods. Active learning is a process in which the students are engaged in hands-on activities rather than passively receiving knowledge. Students interact with others to construct meaning from new ideas and concepts based on their background knowledge. Emphasis will be given to intensify the interactions between institute and the industry. We will have more MOUs with the industry so that we can increase our placements, we will have experts from the industry as guest speakers. Our target will be 100 placement of our students in reputed companies. Courses and programs will be introduced for improvements in ethical practices in business through the use of real life case studies and the ICT will be our methodology for total development and transformation of ordinary rural graduates in to extraordinary management professional.
