

Summary of action taken based on feedback from stakeholders based on Curriculum

Academic Year	Feedback Analysis- based on curriculum	Action Taken
2017-18	<p>IQAC analyzed Feedback. The students suggested new add-on/ certificate courses should be introduced, for basic skills enhancement. The students has requested to organize industrial visit before examination. The suggestions were discussed in CDC.</p>	<p>2016-17 We planned the add-on courses like Add-On Course on Life Skills Lab Activities and Certificate Course in English Language Proficiency, as per demand from the students in AY 2018-19. Extra classes or Remedial were started for interested MBA and MCA students to improve their results in University exams.</p>
2018-19	<p>Feedback from the stakeholders like students and alumni suggested courses according to the market scenario, for the development of employability skills of MBA and MCA students. Students demanded more industrial visits and educational trips to be part of the curriculum for corporate real life experience and to gain awareness about industrial practices.</p>	<p>2017-18 As per the feedback received from students, teachers and alumni, it was analyzed by IQAC and found that industrial visits shall be incorporated in the curriculum. So that we have planned industrial visits and also incorporated add-on course on Interview Skills, and certificate course on MS Office Course. These suggestions were discussed with teachers who are members Board of Studies and these suggestions were passed on to University Bodies during meetings.</p>
